

GOVERNMENT OF GUJARAT

Dholera Special Investment Region Development Authority (DSIRDA)

WORK ORDER & TENDER CIRCULAR

Tender Reference No.	WO-DSIRDA-2018-INFRA-004
Project Title	Development of Industrial Expressway & Utility Corridors - Phase 2 (Activation Area)
Issuing Body	Dholera Special Investment Region Development Authority, Government of Gujarat
Project Type	Transportation & Civil Infrastructure
Sanctioned Cost	Rs. 1850,00,00,000 (Phase 2 allocation)
Awarded Contractor	Larsen & Toubro Construction (Infrastructure IC)
Work Start Date	2018-09-15
Reported Completion Date	2023-06-30
Location	Dholera SIR, Ahmedabad District, Gujarat - along the Gulf of Khambhat Region

SCOPE OF WORK

Construction of a 6-lane access-controlled industrial expressway spanning 22.5 km, underground multi-utility ducts (water, power, telecommunications, and stormwater drainage), water treatment facilities, and arterial road networks. The expected physical alteration includes large-scale land grading, paving, structural bridge construction over natural drainage channels, and substantial civil development easily traceable on multi-temporal satellite imagery over the project lifecycle.

Verification Note

This work order is issued as a satellite-auditable reference document. Physical ground transformation, surface grading, and roadway clearing are monitored via dual-temporal remote sensing techniques to confirm project timeline compliance and physical completion.
