

GOVERNMENT OF KERALA

Vizhinjam International Seaport Limited (VISL)
Work Order & Tender Circular

Tender Reference No.	WO-VISL-2015-PH1-001
Project Title	Construction of Vizhinjam International Deepwater Multipurpose Seaport - Phase 1 (Breakwater & Container Berth)
Issuing Body	Vizhinjam International Seaport Limited, Government of Kerala
Project Type	Port / breakwater marine construction
Sanctioned Cost	Rs. 4000,00,00,000 (Phase 1 allocation)
Awarded Contractor	Adani Vizhinjam Port Private Limited (AVPPL)
Work Start Date	2015-12-05
Reported Completion Date	2024-12-31
Site Coordinates	8.37250, 76.99861
Location	Vizhinjam, Thiruvananthapuram District, Neyyattinkara Taluk, Kerala - along the Arabian Sea coast

Scope of Work

Construction of a 3.1 km north breakwater, an 800 m container berth, container yard, and allied marine works extending into open sea, together with associated land reclamation. The expected physical alteration is large-scale marine construction clearly visible from sub-5m satellite imagery, with the coastline and adjacent waters transformed from open sea to a built port structure between the sanctioned start date and the reported completion date.

Verification Note

This work order is provided as a satellite-auditable reference case. The site is expected to show a HIGH degree of verified physical change on dual-temporal imagery, serving as a positive-control benchmark for the audit pipeline.
